Dr. Shiyali Ramamrita Ranganathan
'The Father of Library Science in India'

Five laws of Library Science

1. Books are for use
2. Every book has his/her readers.
3. Every reader has its book.
4. Save the time of the readers.
5. Library is a growing organism.

Mission

The mission of the Lt. Sunil Ramshingji Chunawale Ayurved College library is to provide right information to college students which they need to achieve their highest academic potential and help them to acquire research skills necessary for lifelong learning. To support teaching faculty & administrative staff and to participate in cooperative information exchange within the wider library / educational community.

Resources

The Lt. Sunil Ramshingji Chunawale Ayurved College was established in 2000, this library is one of the best libraries among all college libraries in city. The college conducts various courses to cater the needs of the society. Library resources include a growing collection of 12489 books; currently subscribing to 15 periodicals (Print Format) & 43 E-journal by delnet New Delhi and most leading newspapers and audio-visual resources to support for course offered by the college. The library's collection is growing in all subjects every year having good collection of holistic, spiritual and mythological approach. There is back volume section for research oriented study.
